

FIVE YEARS TIME

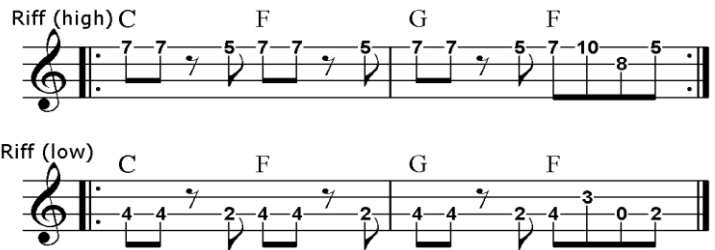

Noah and the Whale

Chords: **C F G F C**

This cycle repeats throughout song

Riff: You can play either the high or low riff

Intro: Riff twice

Oh, well, in five years time we could be walking round a zoo
With the sun shining down over me and you
And there'll be love in the bodies of the elephants too
I'll put my hands of your eyes, but you peek through

And there'll be sun, sun, sun – all over our bodies
And sun, sun, sun – all down our necks
There'll be sun, sun, sun – all over our faces
And sun, sun, sun – so, what the heck

'Cause I'll be laughing at all your silly little jokes
And we'll be laughing about how we use to smoke
All those stupid little cigarettes and drink stupid wine
'Cause it's what we needed to have a good time

But it was fun, fun, fun – when we were drinking
It was fun, fun, fun – when we were drunk
And it was fun, fun, fun – when we were laughing
It was fun, fun, fun – oh, it was fun

Riff

Oh, well, I'll look at you and say that it's the happiest that I've ever been
And I'll say: "I no longer feel I have to be James Dean"
And she'll say: "yah well I feel, oh pretty happy too,
And I'm always pretty happy when I'm just kickin' about with you"

And it'll be love, love, love – all through our bodies.
And love, love, love – all through our minds
And it'll be love, love, love – all over her face
And love, love, love – all over mine

And though nearly all these moments are just in my head
I'll be thinking about them as I'm lying in bed
And I know that really it might not even come true
But in my mind I'm having a pretty good time with you

Oh in five years time – I might not know you
In five years time – we might not speak
Oh in five years time – we might not get along
In five years time – we might to prove me wrong

Riff (continuing through to the end of song)

Oh, there'll be love, love, love – wherever you go (a cappella 4 times)
Oh, there'll be love, love, love – wherever you go (with uke times)
There'll be love
