

# PASSING THROUGH

(R Blakeslee. Sung by L Cohen)

**C** **F** **C**  
 I saw Jesus on the cross on a hill called Calvary  
**G7**  
 "Do you hate mankind for what they done to you?"  
**C** **C7** **F** **C**  
 He said, "Talk of love not hate, things to do, it's getting late  
**G7** **C**  
 I've so little time and I'm only passing through"

## CHORUS:

**C**  
 Passing through, passing through  
**C7**  
 Sometimes happy, sometimes blue  
**F** **C**  
 Glad that I ran into you  
**G7** **C**  
 Tell the people that you saw me passing through  
**C** **F** **C**  
 I saw Adam leave the Garden with an apple in his hand  
**G7**  
 I said "Now you're out, what are you going to do?"  
**C** **C7** **F** **C**  
 "Plant some crops & pray for rain, maybe raise a little cane  
**G7** **C**  
 I'm an orphan now, and I'm only passing through"

## CHORUS

**C** **F** **C**  
 I was with Washington at Valley Forge, shivering in the snow  
**G7**  
 I said, "How come the men here suffer like they do?"  
**C** **C7** **F** **C**  
 "Men will suffer, men will fight, even die for what is right  
**G7** **C**  
 Even though they know they're only passing through"

## CHORUS

**C** **F** **C**  
 I was at Franklin Roosevelt's side on the night before he died  
**G7**  
 He said, "One world must come out of World War Two"  
**C** **C7** **F** **C**  
 "Yankee, Russian, white or tan," he said, "A man is still a man  
**G7** **C**  
 We're all on one road, and we're only passing through"

## CHORUS (Twice)
