

# Opportunity

Pete Murray

**G Em G**  
So it goes another lonely day  
**Em C**  
Your saving time but you're miles away  
**Am C**  
Your flowers drowning in some bitter tea  
**Am G**  
Your seeing lost opportunity  
**Em G**  
Find your mirror and you look inside  
**Em C**  
See the talent you'll always hide  
**Am C**  
Don't go kid yourself for not today  
**Am G**  
Satisfactions not too far away

## CHORUS

**D Am**  
Hold on now your exit's here  
**C G**  
It's waiting just for you  
**D Am**  
Don't pause too long its fading now  
**C G D Am**  
It's ending all too soooooon, you'll see  
**G D Am**  
Sooooon, you'll see

**G Em G**  
Your coffee's warm but your milk is sour  
**Em C**  
Life is short but you're here to flower  
**Am C**  
Dream yourself along another day  
**Am G**  
And never miss opportunity  
**Em G**  
Don't be scared of what you cannot see  
**Em C**  
Your only fear is possibility  
**Am C**  
Never wondered what the hell went wrong  
**Am G**  
Your second chance may never come along

(CHORUS twice. Last time repeat final line 3 times)
