

CATTLE AND CANE

The Go-Betweens

This song is in 11:4 time.

To make it easier(maybe?) the 11 beats are broken up here into 4 + 2 + 5.

INTRO & RIFF

Two staves of guitar notation for the Intro & Riff. The first staff shows a sequence of chords: G, Em, D, C, G, Em, D, C. The second staff repeats this sequence. The notation includes fret numbers (0, 2, 3, 5) and time signatures (4/4, 2/4, 5/4) indicating the 4+2+5 beat structure.

I recall ...

G Em D C
I recall — A schoolboy coming home

G Em D C
Through fields of cane — To a house of tin and timber

G Em D C
And in the sky — A rain of falling cinders

C D C

From time to time **the waste, memory wastes**
And the waste, memory wastes

This section in green shifts into a standard 4/4 time signature.

RIFF

G Em D C
I recall — A boy in bigger pants

G Em D C
Like everyone — Just waiting for a chance

G Em D C
His father's watch — He left it in the showers

C D C

From time to time **the waste, memory wastes**
And the waste, memory wastes

RIFF

G Em D C
I recall — A bigger brighter world

G Em D C
A world of books — And silent times in thought

G Em D C
And then the railroad — The railroad takes him home

G Em D C
Through fields of cattle — Through fields of cane

C D C

From time to time **the waste, memory wastes**
And the waste, memory wastes
